Principal Message

Dear Parents,

As we enter into the 5th Six Weeks and we prepare for end of year, I would like to review and remind everyone of the safety protocols we have in place for student safety. We have fire drills, practice lockdown drills, reverse drills, severe weather drills and lock-out drills. The students, faculty and staff are familiar with these drills as we practice them and review them often. We also have a Campus Emergency Response Team (CERT). The CERT meets with administration and reviews safety procedures and safety logs. Additionally, in order to monitor entries and exits, we have safety features such as the doorbell as well as door alarms. If a door is opened in any exit of the school, an alarm alerts us of a possible stranger on campus or a possible student leaving the building.

In the front entrance, we ask for IDs before we allow anyone to enter the building. We then proceed to use our Raptor system to scan the IDs. No ID? No entrance to the campus. I ask for your cooperation by carrying your ID when visiting the school. In addition, be our eyes and ears outside and advise us of any suspicious activity. As always, thank you for your continued support and keep safe!

Reminder: Birthdays on the last Friday of the month! Only store-bought cupcakes and juice boxes. Also, no early release 30 minutes before school day ends.

Sincerely,

Rosalba Martinez, Principal

Counselor's Corner

Dear All,

Teaching children what they CAN do is important to create change. Teaching and encouraging caring is related to many positive outcomes: happy children, higher self esteem, friendships, improved academic success, and better mental health! Remember, it is important to be compassionate and show you care. "To make a difference in someone's life, you don't have to be brilliant, rich, beautiful, or perfect. You just have to care." -Unknown

Sincerely,

Terri Sanchez
