Principal's Message

Dear parents,

The new accountability system is here! Students' STAAR test results will indicate if students "Approach", "Meet" or "Master" their tests. Simply put, students that score at the "Approaches" level demonstrate that they are "approaching" the grade level in which they are enrolled. Students that score "Meets" level demonstrate that they have met the standards for their corresponding grade level. Students that score "Masters" level are at the highest levels of mastery of content for their grade level.

It might appear to be a complicated method for accountability, but we are working our hardest to understand this new formula so we can best prepare our students. As always, our goal is mastery for all students.

Also, scores for 5th grade students are already available for viewing. Visit www.texasassessment.com for details. Call our office if you have questions.

Congratulations track team for making school history!! Third place trophy for the team in the LISD Track meet! Way to go Dolphin family!

As always, do not forget that the last Friday of the Month is for birthdays! Store-bought Cupcakes and juices are allowed only. Also, no early release 30 minutes before the end of any school day.

Sincerely,
Ms. Rosalba Martinez

Counselor's Corner

Dear All

Kids should have fun in the summer. But if summer is all play and no work, learning can slide. Encourage your child to spend a few minutes each day refreshing their skills. Go to the library. Read a book. Join a summer camp. Play educational games. Always feed your mind with knowledge!

Sincerely,
Terri Sanchez
